Thanks David. Unfortunately, I have a 8:30 Operations call, how about 9:30 pacific, 11:30 Central?

This was open on everyone's calendar.

Missy and Dave,

Can we chat this am about pay and travel costs associated with the response? Our IC is going to work on the contract costs with your Op's folks but I wanted to talk to you too about intramural costs.

Let me know and I will check calendars for a good time.

Thanks!

BB
